Series: Living as Exiles: Hope, Holiness, and Honour

Caring like Jesus

1 Peter 5:1-11

Clive Bennett

TODAY'S WORSHIP SERVICE – Simon's band will be leading worship as Clive concludes our series on Living as Exiles: Hope, Holiness, and Honour with his talk entitled, 'Caring like Jesus' based on 1 Peter 5:1-14. Don't miss this! Of course, we do hope you can join us for the service in the church but if you can't actually join us, you will be able to access the service at any time by going to: <https://www.aldwickbaptist.co.uk/category/current-sermons>.

NEXT WEEKEND'S FAMILY WORSHIP SERVICE 6th April 2025 – Simon's band will be leading worship as John masterminds another family service with the tantalising title, 'Jesus said ...'. This service will also include Breakfast Time which is open to all ages from 9.30am. Breakfast time is a place to encourage Christians and non-Christians alike, to share in some food together, before the family services begin. It is about using the gifts of relationships, hospitality, generosity, and kindness to make people feel valued. It is about helping people feel that they 'belong.' As relationships develop, the sharing of one's faith may also emerge in time. Don't miss this opportunity.

JAKKI BURNS -My great friend Jakki and I have attended ABC together since the early 1980's. Unfortunately, Jakki is now unable to be here with me as her Parkinson's disease and dementia now means she needs high dependency care. Please remember Jakki, her husband Robbie, and the family in your prayers. Jean Shaw.

POLLY BENNETT - Praise the Lord that Polly has now largely recovered from her recent pneumonia. Now however she is faced with a need to have further chemotherapy to treat her Non-Hodgkinson Lymphoma (NHL) beginning next week. Please thank the Lord for the peace she and Clive feel but pray that the treatment will be effective, and that Polly will be clear of any side effects. Clive

THANK YOU FOR YOUR PRAYERS – Sheila wants to thank you for your ongoing prayers for her granddaughter Lara who is now recovering after her recent operation. The doctors are hopeful that this is the breakthrough that Lara so desperately wants. Do also pray that Lara can enjoy a holiday break with her Dad as part of her recovery.

EXHAUSED, WORN OUT, ABOUT TO COLLAPSE? - That accurately reflects our leadership team. There are only 5 of us including Simon trying to do the work of 9 people! Not only that but Clive's and Joy's term are about to end. Please nominate them immediately or there will only be 3 left! **BUT** – we urgently need new nominations too. Do you feel that could be you or do you recognise someone else who could help us. If you do, then talk to one of the dwindling number of deacons urgently!

This week Arthur's poem reminds us that God's creation is so unbelievably complex and beautiful, that it has to be the work of an almighty creator!

Just has to be a fool

When I see the sunset

In the golden sky.

The delicate wing

Of a butterfly.

When I see the millions of stars in the Milky Way.

Lord, how it takes my breath away.

How can they take for granted

The miracle of creation.

So many wonders, known and unknown

Beyond our imagination.

When I see the wonder

All around

From the smallest creature

To the universe unbound.

Yes. When I see the wonder

Of it all.

The man who says there is no God

Has to be a fool,

Arthur Magee
